

Upper Yampa River Watershed Group- Technical Committee

January 16, 2013 Minutes

State of the Watershed Report: It was suggested that the Table of Contents be revised. Kevin will submit his suggestions. A Drop Box account was suggested.

- Name the Sub-watersheds
- Each TC member to write a brief intro and include why they would be a contact for someone (i.e. Ben Beall represents municipalities). Jackie will help get this information out.
- Include discharge permits and contact information for reporting issues.

USGS to present report to public in March (TBD). Watershed Group to share progress at this time.

Group would like to see a simple budget.

TC members will bring a list of projects to share and discuss at next meeting.
