The Board discussed the desire to get a donation button up and running on the website. Lyn was authorized to make a final decision of how the funds are received on the website and work with Kaitlin on implementing on a motion from Tyler and second by Kent. Harvey has had good success with Zelle. PayPal is also a consideration and Tyler has experienced that it is relatively easy to do.

Scholarship

Jeremy and Nadine reported on the scholarship grant status. They suggested we hold off on awards until next spring 2022 which will allow \$3,000 to be in the account. Hopefully the COVID situation will have improved and schools will be somewhat back to normal. Nadine will try to get to the office to pick up related historic files and review.

IV. Old Business

- 1. No till drill Tyler is holding off on contacting the people with the used drill for sale until we hear more about interest from the upcoming survey and Annual Landowners Meeting.
- 2. Weed sprayer purchase Lyn has recruited Shannon Ross to help with the Taylor Grazing Act grant application to purchase the drill. Jeremy has committed to maintenance and scheduling, and his time will be used for in-kind contribution. He also sent Lyn the sprayer specs and cost.

VI. Projects, Events, Grants

- 1. Annual Landowners Meeting February 24th
- -Lyn had sent out a draft agenda and the group went over the program.

-Attendees went over what they will cover in their presentations.

2. Soil Health Initiative

Cam suggested we host some type of follow up session/presentation on our soil health initiative and soil regeneration to improve community education and outreach. One idea is to use the Kiss the Ground movie. Todd thought including something in Ag Week coming up the week of March 21st would be a good idea. A discussion ensued regarding which among all the You Tube movies/videos is most appropriate for our region. Everyone agreed that we should all be on the same page (i.e. NRCS, CSU Extension, RCCD).

VII. Public Portion

Lyn opened the meeting to the public. There were no comments.

Next regular RCCD Board Meeting March 16th, 2021 @ 8am.
